Additional Comments

This report and the findings contained herein are solely for the addressee and may not be used or relied upon by any other person or entity without the express written consent of Paramount Sales. The interpretation of radiographs and findings may vary with the examiner, the type of examination requested, method of examination and a horse's changing condition. This is a report of the undersigned's findings, based on the type of examination requested by the addressee, on the date indicated. This report is limited to the findings contained herein and no other findings or opinions should be inferred beyond those expressly set forth herein. This report does not constitute a warranty or guarantee of any kind. This report is for use on horses intended for public auction while meeting the requirements of repositories currently in operation. It is not intended to be all inclusive but is meant to supply a workable format of reporting.
