Additional Comments/Summary	

This report and the findings contained herein are solely for the addressee and may not be used or relied upon by any other person or entity without the express written consent of the undersigned veterinarian. The interpretations of radiographs and findings may vary with the examiner, the type of examination requested, method of examination and a horse's changing condition. This is a report of the undersigned's findings, based on the type of examination requested of the undersigned veterinarian on the date indicated. This report is limited to the findings contained herein and no other findings or opinions should be inferred beyond those expressly set for herein. **This report does not constitute a warranty or guarantee of any kind.** This report is for use on horses intended for public auction while meeting requirement of repositories currently in operation. It is not intended to be all inclusive but is meant to supply a workable format of reporting.

The undersigned reviewing veterinarian owns an interest in the subject horse reviewed. Yes No
