Additional Comments:

This report and the findings contained herein are solely for the addressee and may not be used or relied upon by any other person or entity without the express written consent of JAMES L. SLAUGHTER, DVM. The interpretation of radiographs and findings may vary with the examiner, the type of examination requested, method of examination and a horse's changing condition. This is a report of the addressee's findings, based on the type of examination requested by the addressee, on the date indicated. This report is limited to the findings, conclusions and no other findings or opinions should be inferred beyond those expressly set forth herein. This report does not constitute a warranty or guarantee of any kind. This report is for use on horses intended for public auction while meeting the requirements of repositories currently in operation. It is not intended as an all inclusive but is meant to supply a readable format of reporting.

#### PRE-SALE ENDOSCOPIC EXAM Keeneland September Yearlings

Hip #: 2493 BUONA SERA 19

Consignor: Vinery Sales, Agent

Date: 9/15/2020

Scope Grade: I, A+

To Whom It May Concern:

I have this day examined the horse identified above for evaluation of upper airway via endoscopy. I have followed the customary standard veterinary clinical procedures in performing this examination. Based on my findings from this evaluation, it is my opinion that: Anatomy and function are within normal limits and meets condition of sale.

This is an opinion and not a warranty.
