Additional Comments

This report and the findings contained herein are solely for the addressee and may not be used or relied upon by any other person or entity without the express written consent of the addressee and a horse's changing condition. This is a report of the undersigned's findings, based on the type of examination requested, method of examination and a horse's changing condition. This report is for use on horses intended for public auction while meeting the requirements of repositories currently in operation. It is not intended to be all inclusive but is meant to supply a workable format of reporting.
