#### Footnotes

SOUPER BLESSING settled in midpack in the three path, waited for room while under rousing around the far turn, found a seam in the four path at the top of the lane, and was surging late to get up in the final strides. IRISH ACES stumbled out of the gate and trailed in the three path early, gradually shifted outwards under coaxing midway around the far turn, fanned out to the nine path going into the stretch, and rallied for place. BOPPY O prompted the pace in the three path, bid under a ride between foes turning into the stretch, kept on to lead passing the eighth pole, but was caught by an outer pair late to show. ANGLOPHILE raced in midfield in the two path, angled out to the five path under a drive turning into the lane, and kicked on. OHANA HONOR raced wellback in the four path, was roused between foes into the far turn, angled out to the seven path passing the eighth pole, bumped an outer foe around the sixteenth, and mildly stayed on. SMOKEY MANDATE tracked in the three path, bid between foes passing the quarter, but finished evenly in the five path down the lane. AMSTRONG steadied around the first turn, raced in midfield in the four path, ranged up four wide around the far turn, swung from the six path into the stretch, but was one paced. TORIGO chased in the four path, was roused in the five path into the far turn, tipped out to the eight path turning into the stretch, got bumped by an inner foe just before the sixteenth, and flattened. LEGACY ISLE set the pace in the two path, was coaxed along the inside into the far turn, but faded in the stretch. MUTAAWID was unhurried along the inside early, had to check going into the far turn, and did not threaten from the seven path in the stretch. APRIL FOOLS ANDY was held up in the two path, tipped to the rail and was roused into the far turn, but got stuck behind a tiring foe and was shuffled back to last in upper stretch, and could not factor. EYES ON THE KING steadied around the first turn, stalked in the two path but weakened in upper stretch.
