This report and the findings contained herein are solely for the use of the client and may not be used or relied upon by any other person or entity without the expressed written consent of Dr. Ross Russell. The interpretation of radiographic and endoscopic findings may vary with the examiner, the type of examination requested, method of examination, and a horse's changing condition. This is a report of the findings of the examination requested by the client and is not intended to be a diagnosis. The client should be advised that this report is limited to the findings contained herein and no other findings or conditions may be present. This report does not constitute a warranty or guarantee of any kind. This report is for use only for the purpose stated and is not intended to be all inclusive but meant to supply a written record of the findings.
