Additional Comments

This report and the findings contained herein are solely for the addressee and may not be used or relied upon by any other person or entity without the express written consent of Four Star Sales, Agent. The interpretation of radiographs and findings may vary with the examiner, the type of examination requested, method of examination and a horse's changing condition. This is a report of the undersigned's findings, based on the type of examination requested by the addressee, on the date indicated. This report is limited to the findings contained herein and no other findings or opinions should be included. It is not intended to be all inclusive but is meant to supply a workable format of reporting. It is not intended to constitute a warranty or guarantee of any kind. This report is for use on horses intended for public sale.

ENDOSCOPIC EXAMINATION

Keeneland September Yearling Sale

Date: 9/21/2026

HIP #: 2616 DYNAPOWER 25

Consignor: Four Star Sales, Agent

Overall Scope Grade: A+

Laryngeal Function: Grade 1

To Whom It May Concern:

I have this day examined the horse identified above for evaluation of upper airway structure and function via endoscopy. I have followed the customary standard veterinary clinical procedures in performing this examination.

The listed findings are an opinion and not a warranty.

Sincerely,

Robert M. Cook, DVM
